REC Delivery Contracts for the Illinois Power Agency's two solar incentive programs, Illinois Shines (Adjustable Block Program) and Illinois Solar for All, have been updated pursuant to the 2024 Long-Term Renewable Resources Procurement Plan ("2024 Long-Term Plan"). The 2024 Long-Term Plan was approved by the Illinois Commerce Commission ("ICC") with modifications in [Docket 23-0714](#) on February 20, 2024. Illinois Shines will also provide an "off-ramp" option for any already-applied project expecting to receive an award under the 2022 REC Delivery Contract that is unable to be developed under the updated 2024 REC Delivery Contracts.
