Subject: [External] RE: Technical Comments Regarding the 2020 Draft Electricity Procurement Plan

Mario,

On the original Cover Letter we submitted, we made an error regarding the labeling of Planning Years. In Appendix B: Ameren Illinois Submittal, on Page 2 of the Cover Letter, the Planning Years labeled under AIC High Energy and Low Energy File explanations should read "2020, 2021, 2022" instead of "2019, 2020, 2021". Attached is the Cover Letter with this correction. Please let me know if you have any questions or concerns.

<u>Plan Year</u>	<u>Plan Year</u>
2019	2020
2020	2021
2021	2022

Thank you,
