Subject: [External] Technical Comments regarding the Draft 2021 Electricity Procurement Plan

Good Afternoon Mario,

Please see the technical comments regarding the Draft 2021 Electricity Procurement Plan.

- 1) Table 1-2, in third column we believe the "Remainder to be determined in the **2021** Plan", should read "Remainder to be determined in the **2022** Plan".

We reviewed the energy and capacity hedging strategy and support the proposal.

I would appreciate confirmation you have received this email.

Please let me know if you have any questions or concerns.

Thank you,
