ILLINOIS POWER AGENCY

Illinois Power Agency Announces Third Stakeholder Workshop for 2026 Long-Term Plan Development

June 10, 2025

The Illinois Power Agency (IPA) is hosting a third virtual workshop to gather stakeholder feedback as the Agency prepares to develop its 2026 Long-Term Renewable Resources Procurement Plan (Long-Term Plan). This workshop will focus on the RPS Budget and REC Portfolio (Chapter 3 and associated workbooks to be included as Appendix B), and the methodology/approach to be used for calculating REC prices for Illinois Shines and Illinois Solar for All (Chapters 7 and 8 and the REC Pricing Model to be included as Appendices D and E).

Registration is required to attend this workshop:

2026 Long-Term Plan Stakeholder Workshop #3: RPS Budget/REC Portfolio and Program REC Pricing Approaches

Date: June 23, 2025

Time: 10 a.m. - 12 p.m. CT

[REGISTER NOW](#)

An agenda for this session will be released prior to the workshop. Additionally, the IPA plans to issue a request for written stakeholder feedback immediately following the workshop. The feedback request will complement the workshop discussions by giving stakeholders an opportunity to share additional details and insights.
