ILLINOIS POWER AGENCY

**Illinois Power Agency Announces Selection of Consultant
for Racial Disparity and Availability Study**

July 10, 2025

The Illinois Power Agency (“Agency”) is pleased to announce the selection of Griffin & Strong, P.C. as the consultant to conduct a comprehensive Racial Disparity and Availability study. This study is required under Section 1-75(c-15)(2)(B) of the Illinois Power Agency Act and will measure the presence and impact of discrimination on minority businesses and workers within Illinois' clean energy economy. The contract will commence effective July 1, 2025.

The Agency looks forward to working with Griffin & Strong, P.C. to advance understanding and promote equity in Illinois' clean energy sector.
