Illinois Power Agency Issues Request for Stakeholder Feedback for the Evaluation of the Illinois Solar for All Program

July 1, 2022

The Illinois Power Agency is seeking feedback on the scope of independent evaluation of the Illinois Solar for All (ILSFA) Program. This is an opportunity for interested stakeholders, including individuals and organizations in environmental justice and historically underserved communities, to offer feedback on evaluation elements and how evaluation reports can be utilized outside the Agency. The IPA also welcomes input from stakeholders on the reporting plan and criteria used for the evaluation of the Program.

Please see the attached [Request for Stakeholder Feedback](#) for a proposed reporting plan and outline of evaluation elements on which the Agency is seeking input. Responses to this Request for Stakeholder Feedback are due to the IPA by **July 22, 2022**. **Email written responses to IPA.Solar@illinois.gov with the subject "Responder's Name - Response to Illinois Solar for All Evaluation Feedback Request."** Responses will be made public and published on the [Agency's Website](#).

In addition, the Agency will hold an [Illinois Solar for All Evaluation Stakeholder Feedback Session](#) on **Friday, July 8, 2022, from 12pm-1pm CT** to provide stakeholders an additional opportunity to offer input on the criteria used for the next evaluation of the program.
