Good Morning Anthony,

Torsten passed along the following communication from the IPA and we had noticed something to bring to your attention. It appears the tables have "Ameren Illinois" and "ComEd" RPS rate flipped. The table labeled "Ameren Illinois" shows an RPS rate of \$5.0248/MWh for Ameren Illinois (page 5, Row D). That is ComEd's rate. The next table listing "Commonwealth Edison" shows an RPS rate of \$4.5755/MWh (page 5, Row D). That is the Ameren rate.
