Subject: [External] Re: REMINDER: Responses to the IPA Request for Stakeholder Feedback on Electricity and Capacity Procurement Due Friday, July 8, 2022 by 5 PM (CPT)
Date: Friday, July 8, 2022 3:27:19 PM

Hello,

Thank you for the opportunity to provide stakeholder feedback on the IPA capacity procurement process. It is Voltus's position that the capacity contract should be updated so that shortfall penalties are invoiced monthly, rather than in a lump sum, to align with the schedule with which MISO invoices Ameren for its capacity costs.

Emily Orvis on behalf of Voltus
