EEO/AA Statement of the Chief Executive Officer

The Illinois Power Agency is committed to the following policies:

- Agency decisions regarding recruitment, hiring, training, promotion, layoff and awarding of benefits must not discriminate on any of the bases listed in the Agency's Employee Handbook, which include "race, gender, national origin, religion, age, marital or parental status, ancestry, sexual orientation, disability unrelated to ability to perform job duties, or any other status protected by law."
- The Agency commits to undertaking affirmative action if or when needed to correct underutilization of minorities, females, and disabled persons in all levels of employment.
- The Agency does not tolerate sexual harassment and is committed to implementing anti-sexual harassment policies and programs.
- Any employee who files a complaint will be safe from retaliation.
- All executive, managerial, and supervisory Agency staff are expected to provide full support and commitment to implementing the Agency's equal opportunity employment/affirmative action plan.

Anthony M. Star
Director, Illinois Power Agency

Agency Profile

The Illinois Power Agency (“IPA”) facilitates the provision of adequate, reliable, affordable, efficient and environmentally sustainable electric service to eligible customers at the lowest total cost over time, taking into account any benefits of price stability, and carries out other duties as provided by law. The Agency also facilitates development of new generation facilities, including clean coal facilities, and procures renewable energy resources and zero emission credits on behalf of the state’s electric utilities.

SUMMARY OF IPA OPERATIONS

The operations of the Agency require the Agency to:

1. Develop procurement plans for participating electric utilities (at present, ComEd, Ameren Illinois, and MidAmerican)
 - a. Develop an annual procurement plan for the procurement of standard wholesale products, such as energy, capacity, and ancillary services at lowest total cost to consumers over time, taking into account the benefits of price stability
 - b. Develop a long-term renewable resources procurement plan for the procurement of renewable energy credits and the implementation of the Illinois Solar for All low- income solar incentive program.
 - c. Develop a zero-emission standard procurement plan for the procurement of zero emission credits from zero emission (nuclear) generating facilities.
2. Conduct competitive procurement processes and implement programs to procure the resources identified in the plans
 - a. Ensure appropriate price benchmarks are established.
 - b. Secure qualified procurement administrators.
 - c. Assess compliance with plans and provide expert advice to the Illinois Commerce Commission and the Agency’s procurement administrators.
3. Document Agency procedures, policies and create fiscal management tools
 - a. Memorialize all reporting requirements as required by law.
 - b. Create a process to ensure Agency fees are sufficient to recover costs.
 - c. Develop an Agency financial accounting system.
4. Successfully execute all other responsibilities identified in the Illinois Power Agency Act(20 ILCS 3855).

IPA-SPECIFIC EEO/AA PROBLEMS AND NEEDS

One challenge faced by the Agency in achieving equal opportunity and affirmative action targets is that the Agency primarily consists of technical and professional employees, some of whom are in a highly specialized area (specifically, those dealing with energy and renewable energy credit procurement, and supporting policy and legal work). Although the Agency has not comprehensively studied the availability of potential employees from underrepresented groups in the energy procurement area, anecdotal evidence suggests that there are qualified candidates, but perhaps represented at a rate lower than other professions. Thus, the Agency must be conscious and vigilant in outreach to qualified candidates from underrepresented groups in order to maintain diversity at a high level within the Agency.

A second challenge exists in the Agency's size. With one Director (appointed by the Executive Ethics Commission and confirmed by the Senate) and nine other full-time employees (hired at the discretion of the Director) at the conclusion of FY20, a change in one Agency position can significantly impact the diversity percentage levels of the Agency's entire full-time workforce. Minor employee turnover can create large shifts in Agency totals that may not fully reflect the diligence of the Agency's EEO/AA commitments.

A third challenge exists in the Agency's stability. Since FY14, the Agency has only seen turnover at four positions (Office Administrator, Chief Financial Officer, Deputy Legal Counsel, and Planning and Procurement Bureau Chief). While the Agency has added positions, because the Agency's existing staff generally performs at a high level and appears to be satisfied in their positions, opportunities for increased diversity in Agency employment have been limited at times by a lack of turnover.

That said, the Agency's then-Chief Financial Officer did leave for a different position in FY18, and the Agency was able to find a highly qualified minority candidate as a replacement. The Agency also established a Deputy Legal Counsel position in FY18, and was likewise able to find a highly qualified minority candidate for that position as well (that employee left during FY20, and while the Agency was not able to hire a minority candidate as a replacement, it was able to hire a female candidate, helping better balance equivalent gender representation—which is often a concern in the energy law and policy issue space). And when the Agency's Office Administrator was promoted to a Contract Administrator position in FY19, the Agency was able to find a highly qualified minority candidate for the open Office Administrator position.

The Agency is generally proud of its success to date in meeting EEO/AA goals; of the twelve full-time employees (inclusive of the Director) to work for the IPA during FY 2021, five were classified as minorities while one was classified as disabled. And while in 2014-16, the Agency featured five total staff members with four being male, the Agency now features 70/30 female/male gender balance.

Equal Employment Opportunity/Affirmative Action Officer

Agency Organization Chart and EEO/AA Organization Chart:

The Chief Legal Counsel and Deputy Legal Counsel are currently the only members of the Chief Legal Counsel's Office. The Chief Legal Counsel is the only EEO/AA Officer and ADA Coordinator. The Agency is currently in the process of conducting a search for a newly created position, a Diversity, Equity, and Inclusion Coordinator. Once hired, the Agency anticipates the Diversity, Equity, and Inclusion Coordinator will take on the role of EEO/AA Officer and ADA Coordinator.

Dissemination of the Plan and Policy

The EEO/AA Plan and Policy will be disseminated as follows:

1. A copy will be e-mailed to all current employees and new employees as they are hired.
2. A hard copy will be kept in plain view in the Agency's office.
3. The Employee Handbook will be updated to reflect availability of the Plan and Policy.
4. A copy of the Plan and Policy will be available on the Agency's website.
5. The Plan and Policy will be filed with the Illinois State Library.

Workforce Analysis

As of the end of FY21, the Illinois Power Agency had one Director and nine other full-time employees—primarily professionals, but also including other categories. Without having ten employees in any given category, the Agency was not required to undertake availability analysis. However, the Agency reaffirms its commitment to diversity in the workplace, and notes that it has equitable minority and female representation in Agency staff.

As presented in the summary analysis below, the Agency made two new hires in FY21: (1) a new Communication Manager, a new role focused on developing a branding strategy for Agency and related strategic external and internal communications plans. To fill this role, the Agency was successful to hire a well-qualified Asian, female candidate from the private sector; and (2) a Senior Project Manager, a new role focused on developing and implementing a project management framework across the entire Agency. However, this Caucasian, male staff member left the Agency after two and a half months for personal reasons. The Agency is still in the process of filling this role.

In addition to the summary analysis below, the Agency also notes that in FY22, it will likely be required to further expand to help meet additional statutory responsibilities resultant from Public Act 102-0662. The Agency is proud of its diverse workforce and will approach recruiting and hiring for those positions with this same commitment to diversity and inclusion in the workplace.

Equal Employment Opportunity Complaint Investigation Procedure

A. Policy

The Illinois Power Agency affirms its commitment to a policy of equal employment opportunity through the implementation of EEO complaint investigation procedures to promote the internal resolution of employee complaints of alleged discrimination. It is the conviction of the agency that the establishment of this EEO complaint investigation policy, and corresponding procedures, shall provide an internal avenue of redress to informally resolve complaints of alleged discrimination, reducing the backlog, delay, and expense of a prolonged formal investigation.

To that end, the EEO/AA Officer shall advise and support management in the investigation of complaints, documentation of facts, the presentation of findings, and recommendations to resolve the dispute. In the event of a conflict of interest, the EEO/AA officer shall seek a suitable replacement within the Agency.

The use of these internal EEO complaint investigation procedures does not preclude the rights of an employee to file a charge directly with the state (DHR) or the federal government (EEOC) or any other appropriate government agency. The filing of any complaint of alleged discrimination may not be used as a basis for future retaliation adversely affecting the rights of any employee.

B. Procedures

The discrimination complaint form (attached) shall be used to clearly record the date, nature, and other pertinent information of the complaint of alleged discrimination submitted to the EEO/AA Officer for investigation.

1. Scope and Timeliness

Unless of a continuing nature, all complaints must be received by the EEO/AA Officer in writing, within **30 days**, consistent with agency practice. The scope of the investigation shall be restricted to the specific allegations cited in the charge.

2. Intake-Screening

Immediately upon receipt of the discrimination complaint form, the EEO/AA Officer shall review the form to determine the initial timeliness, validity and thoroughness of the information submitted in the complaint.

The EEO/AA Officer shall inform the employee in writing of the acceptance of the complaint for investigation within **10 days after the complaint is received by the EEO/AA Officer** consistent with agency practice. The complainant shall be promptly notified if further information or documentation is required to support the charge.

3. Investigation

Within **20 days after the complaint is received by the EEO/AA Officer** consistent with the agency practice, the EEO/AA Officer shall initiate a thorough investigation of the allegation(s) of discrimination cited in the complaint. In order to document the merits of the charge, the investigation shall entail the verification of information with the immediate supervisors, staff and witnesses to the alleged discriminatory employment practice. The investigation shall be concluded within **30 days** after acceptance of the complaint.

4. Withdrawal of the Complaint

The complaint, or any part of the allegation, may be withdrawn during the investigation upon a written request for withdrawal by the complainant.

5. Settlement During Investigation

If a settlement is reached an agreement shall be obtained in writing with the approval of management before the complaint shall be considered closed.

6. Dismissal of the Complaint

After an analysis of the complaint, if there is a lack of substantial evidence to indicate that discrimination has occurred, the complainant shall be notified of the findings in writing and informed of the right to appeal within **5 days after the investigation concludes**.

7. Investigation Findings

At the conclusion of the investigation, if substantial evidence that discrimination may have occurred, the EEO/AA Officer shall submit a written notice to the Agency's Director with the findings and recommendations to resolve the complaint. Within **20 days after the Agency's Director receives the findings**, a conciliation meeting shall be initiated and the EEO/AA Officer shall participate to seek an equitable resolution of the complaint.

c. Conciliation Efforts

The EEO/AA Officer shall conduct and coordinate conciliation efforts by conferring with the parties in an attempt to secure a settlement. A conciliation conference may be convened, which all parties may attend in person or by representative, to propose, discuss, and agree to a resolution of the complaint.

If the complaint cannot be satisfactorily resolved at this level within a **reasonable amount of time not less than five business days after the conciliation conference**, the EEO/AA Officer shall document the efforts made to resolve the complaint and shall provide a written explanation of the reasons why the complaint was not able to be resolved.

The findings, conciliation efforts, and proposed settlement shall be forwarded to the CEO for the final review, approval or other determination. The CEO shall make known to the EEO/AA Officer

the official position of the agency within **15 days** of receipt of the EEO/AA Officer's written report.

The employee has the right to file with the Illinois Department of Human Rights (IDHR) or with the U.S. Equal Employment Opportunity Commission (EEOC) or any other appropriate government agency. The EEO Officer shall represent the agency in responding to any charges.

Reasonable Accommodation Policy

ILLINOIS POWER AGENCY REASONABLE ACCOMMODATION POLICY

In compliance with the U.S. Americans with Disabilities Act (ADA) of 1990, as amended by the Americans with Disabilities Act Amendments Act (ADAAA) of 2008, and the Illinois Human Rights Act, it is the policy of the Illinois Power Agency to reasonably accommodate the known physical or mental conditions of otherwise qualified applicants and employees with disabilities. Accommodation Request Procedures for Employees

The following procedures should be followed in processing reasonable accommodation requests from employees. The agency EEO/AA Officer and/or the ADA Coordinator can provide guidance on the accommodation process.

1. The employee shall submit a completed reasonable accommodation request form to his or her immediate supervisor and give a copy of the form to the agency EEO/AA Officer and/or the ADA Coordinator. The employee should retain a copy of this information in his or her files.
2. Once received, the supervisor shall review the request form for completeness and, in consultation with the EEO/AA Officer and/or ADA Coordinator, determine whether medical documentation is needed to either establish the presence of a disability or determine an appropriate accommodation. If documentation is needed, the agency should narrowly tailor its request to the issues of whether the employee has a disability under the law and how he or she can be accommodated. The employee should be asked to complete a medical release form (also narrowly tailored), if the agency has additional questions upon review of the medical documentation. When necessary, the employee should be asked to provide documentation to address these issues.
3. Upon receipt of necessary documentation, the supervisor shall make a recommendation, in writing, to the Division Manager within five (5) working days.
4. The Division manager shall review the supervisor's recommendation and make a recommendation to the Reasonable Accommodation Committee (RAC) within five (5) working days of receipt of the supervisor's recommendation. The Division Manager shall forward his/her recommendation along with the original reasonable accommodation request form and all documentation to the agency's EEO/AA Officer and/or the ADA Coordinator.
5. The EEO/AA Officer and/or the ADA Coordinator shall convene a meeting of the Reasonable Accommodation Committee within ten (10) working days of receipt of the Division Manager's recommendation. The RAC shall review the accommodation request. Once the Committee's review is complete, the Committee's recommendation shall be submitted to the Director within five (5) working days of the Committee's review for the Director's approval or denial.
6. The Director shall review the RAC's recommendation and shall render a decision of denial or approval within five (5) working days of receipt from the RAC.
7. Provided that appropriate documentation has been submitted, the EEO/AA Officer and/or the ADA Coordinator shall inform the employee in writing of the agency's decision to grant or deny the request within thirty (30) working days of receipt of the completed request form and any necessary medical documentation. A copy of the response will also be sent to the supervisor.
8. If the Director approves the accommodation request, the agency shall take appropriate action to comply with the accommodation request. Approved accommodation requests shall be implemented as soon as possible. Please note that the agency may offer alternative suggestions providing an equally effective accommodation to remove the workplace barrier in question.
9. Reconsideration: If an employee wishes to ask the Director to reconsider a decision on a reasonable accommodation request, a written request shall be addressed to the Director within ten (10) working days of notification of the decision. The reconsideration request shall include the reasons that a reconsideration is being requested and, if appropriate, alternative suggestions for reasonable accommodation. After a complete review of the matter, a decision shall be made and the employee shall be notified. The Director's decision on this recommendation shall constitute the final internal action by the Department on the accommodation request.
10. An employee who has been denied accommodation has the right to file a complaint at the state level with the Illinois Department of Human Rights within 300 calendar days of the denial of the request. An employee may also have the right to file a complaint with the U. S. Equal Employment Opportunity Commission (EEOC) within 300 days or any other appropriate government agency pursuant to their time frame.
11. The EEO/AA Officer and/or the ADA Coordinator shall document any action taken on a reasonable accommodation request where indicated on the request form and shall retain completed accommodation request forms one year following final action in the matter.

Accommodation Request Procedures for Applicants

Qualified applicants and employees with disabilities have the right to request reasonable accommodation under the law. Applicants may request accommodation to any stage of the application process, including the employment application, examination procedure or interviewing process. Note that the Department of Central Management Services is responsible for accommodations to its testing procedures.

Once an individual with a disability has been hired, he or she has the right to request accommodation to the work site, work schedule or work process that would enable him or her to perform the job in question. Procedures for applicants to follow in making an accommodation request are listed below. The EEO/AA Officer and/or the ADA Coordinator can provide additional information about the accommodation process within their agencies.

Procedures:

1. Applicants may request accommodations to the application process orally or in writing (either through correspondence or the use of the accommodation request form for applicants). If the request is made orally or through written correspondence, the agency EEO/AA Officer and/or the ADA Coordinator will complete accommodation request forms in the matter for purposes of processing and documenting the request.
2. Applicants shall submit accommodation requests to the interviewing officer. The interviewing officer should provide a copy of the form to the EEO/AA Officer and/or the ADA Coordinator. In cases where the EEO/AA Officer and/or the ADA Coordinator completes the form for the applicant with a disability, the EEO/AA Officer and/or the ADA Coordinator shall submit completed forms to the interviewing officer and retain a copy for him or herself.
3. A response to the request will be provided to the applicant within five (5) days following receipt of the request by the interviewing officer.
4. If it is within the bounds of the authority of the interviewing officer to grant the request and he or she believes it to be reasonable, the accommodation will be provided. Information regarding the type of accommodation provided will be sent to the EEO/AA Officer and/or the ADA Coordinator.
5. If another official within the agency must be consulted in order for the accommodation to be provided, he or she will determine whether the agency will grant the request.
6. If the agency denies the request, the applicant has the right to file an internal complaint with the EEO/AA Officer and/or the ADA Coordinator and/or external complaint with the Illinois Department of Human Rights within 300 calendar days of the denial. An applicant may also have the right to file a complaint with the U. S. Equal Employment Opportunity Commission (EEOC) within 300 days or any other appropriate government agency pursuant to their timeframe.

Additional Procedures Regarding Persons with Disabilities

The Illinois Power Agency currently has a single office at 105 W. Madison St. in Chicago. To the knowledge of the Agency, the building is free of physical barriers to the extent required by law and/or is in the process of resolving any non-compliant physical barriers. The Agency further understands that building has building-wide procedures for evacuation of employees with disabilities.

To the extent that an employee becomes aware of any physical barriers, raises concerns regarding the evacuation plan, or has any questions regarding physical or procedural barriers, the employee may contact the EEO/AA Officer, who also serves as the ADA Coordinator.

With regard to hiring procedures for persons with disabilities, the Agency shall:

1. Review, on an ongoing basis, employment criteria and job descriptions to assure they have no adverse impact on disabled persons;
2. Not make inquiries regarding an applicant's disability during the interview process;
3. Not require or request a pre-employment medical examinations before an offer of employment and further not require or request a pre-employment medical examinations after an offer of employment, unless the post-offer and pre-employment examinations are job related and required of all applicants for that position.

At this time, no employee has requested assistance with physical barriers or evacuation. However, the Agency is committed to addressing all such requests made going forward. The Agency will monitor results of disability survey reports and will use the survey report results to ensure employee evacuation needs are met.

Additionally, at this time, the Agency does not have a testing requirement for employment. However, if testing is required in the future, the Agency will create a reasonable accommodations policy.

In addition to the procedures listed above, Agency staff are currently working remotely with only certain staff going to the office on an intermittent basis. Remote work provides additional accommodations to persons with disabilities.

Required Summary of Non-Discrimination Laws

CIVIL RIGHTS ACT OF 1964, as amended

Title VI prohibits discrimination on grounds of race, color, or national origin in federally assisted programs.

Title VII prohibits discrimination on the grounds of race, color, religion, sex or national origin by employers or unions with 15 or more employees. The designation employer includes the government of the United States, corporations wholly owned by the United States, and state or political subdivisions thereof.

EQUAL EMPLOYMENT OPPORTUNITY ACT OF 1972

This is an amendment to the Civil Rights Act of 1964, which adds sex and religion to the Title VII portion and extends Equal Employment Opportunity (EEO) to state, local and municipal organizations, all employment agencies (private and public) and to labor organizations. This Act empowers EEOC to bring civil action against any organization, which is alleged to be practicing discrimination. The Act also gives the right to an individual to take a complaint directly to a court of law.

PREGNANCY DISCRIMINATION ACT

This law amended Title VII to make it illegal to discriminate against a woman because of pregnancy, childbirth, or a medical condition related to pregnancy or childbirth. The law also makes it illegal to retaliate against a person because the person complained about discrimination, filed a charge of discrimination, or participated in an employment discrimination investigation or lawsuit.

CIVIL RIGHTS ACT OF 1991

The Civil Rights Act of 1991 expands the protections afforded individuals under the Civil Rights Act of 1964. It provides for damages for intentional discrimination and unlawful harassment in the workplace and codifies the concepts of "business necessity" and "job related" as enunciated in various Supreme Court decisions. Additionally, it confirms statutory authority and provides guidelines for disparate impact suits under Title VII of the Civil Rights Act of 1964 and in response to recent Supreme Court decisions, expands the scope of relevant civil rights statutes.

AGE DISCRIMINATION IN EMPLOYMENT ACT OF 1967

This Act prohibits arbitrary discrimination against persons 40 years of age or older.

REHABILITATION ACT OF 1973

This Act sets the standards for promoting, expanding, and assisting in employment opportunities for the handicapped in all programs or activities receiving Federal financial assistance. Sections 503 and 504 provide for the prohibition of discrimination against qualified handicapped individuals. The Office of Federal Contract Compliance Programs (OFCCP), U. S. Department of Labor, enforces section 503. Section 504 is enforced by the agency providing the federal funds in question.

EQUAL PAY ACT OF 1963

This Act provides that an employer may not discriminate on the basis of sex by paying employees different wages for doing equal work on jobs requiring equal skill, effort, and responsibility, and which are performed under similar working conditions in the same establishment. The U. S. Equal Employment Opportunity Commission (EEOC) enforces this Act.

AMERICANS WITH DISABILITIES ACT OF 1990, AS AMENDED BY THE AMERICANS WITH DISABILITIES AMENDMENTS ACT OF 2008

Congress enacted the Americans with Disabilities Act of 1990 ("the ADA") to eliminate discrimination against individuals with disabilities in the areas of employment, public accommodations, education, transportation, communication, recreation, institutionalization, health services, voting, and access to public service. Title I of the ADA prohibits discrimination in employment against individuals with disabilities and establishes the standards governing an employer's affirmative duty to accommodate an individual with a disability. Title II of the ADA prohibits discrimination against individuals with disabilities by state and local governments. The ADA Amendments Act of 2008 broadens the coverage of "disability" and thereby brings more individuals under the protection of the

law. EEOC issued regulations under this Act.

FAMILY MEDICAL LEAVE ACT of 1993

This act requires employers to provide up to 12 weeks of unpaid job-protected leave to "eligible" employees for certain family and medical reasons. Employees are eligible if they have worked for a covered employer for at least one year, and for 1,250 hours during the year preceding the start of the leave, and be employed at a worksite where the employer employs at least 50 employees within a 75-mile radius. The U. S. Department of Labor's Wage and Hour Division is authorized to investigate and resolve complaints of violations.

Unpaid leave must be granted for any of the following reasons:

- To care for the employee's child after birth, or placement for adoption or foster care;
- To care for the employee's spouse, son or daughter, or parent, who has a serious health condition; or
- For a serious health condition that makes the employee unable to perform the employee's job.

Section 585(a) of the National Defense Authorization Act (NDAA) amended the FMLA to provide eligible employees working for covered employers two important leave rights related to military service:

- *Qualifying Reason for Leave.* Eligible employees are entitled to up to 12 weeks of leave because of "any qualifying exigency" arising out of the fact that the spouse, son, daughter, or parent of the employee is on active duty, or has been notified of an impending call to active duty status, in support of a contingency operation.
- *Leave Entitlement.* An eligible employee who is the spouse, son, daughter, parent, or next of kin of a covered service member who is recovering from a serious illness or injury sustained in the line of duty on active duty is entitled to up to 26 weeks of leave in a single 12-month period to care for the service member. This military caregiver leave is available during "a single 12-month period" during which an eligible employee is entitled to a combined total of 26 weeks of all types of FMLA leave.

UNIFORMED SERVICES EMPLOYMENT AND REEMPLOYMENT RIGHTS ACT (USERRA)

USERRA protects the job rights of individuals who voluntarily or involuntarily leave employment positions to undertake military service. USERRA also prohibits employers from discriminating against past and present members of the uniformed services, and applicants to the uniformed services. The U. S. Department of Labor, Veterans Employment and Training Service (VETS) is authorized to investigate and resolve complaints of USERRA violations.

GENETIC INFORMATION NONDISCRIMINATION ACT OF 2008

This law makes it illegal to discriminate against employees or applicants because of genetic information. Genetic information includes information about an individual's genetic tests and the genetic tests of an individual's family members, as well as information about any disease, disorder or condition of an individual's family members (i.e. an individual's family medical history). The law also makes it illegal to retaliate against a person because the person complained about discrimination, filed a charge of discrimination, or participated in an employment discrimination investigation or lawsuit.
