Anthony M. Star -

Director, Illinois Power Agency

Agency Profile

The Illinois Power Agency ("IPA") facilitates the provision of adequate, reliable, affordable, efficient and environmentally sustainable electric service to eligible customers at the lowest total cost over time, taking into account any benefits of price stability, and carries out other duties as provided by law. The Agency also facilitates development of new generation facilities, including clean coal facilities, and procures renewable energy resources and zero emission credits on behalf of the state's electric utilities.

SUMMARY OF IPA OPERATIONS

The operations of the Agency require the Agency to:

- 1. Develop procurement plans for participating electric utilities (at present, ComEd, AmerenIllinois, and MidAmerican)
 - a. Develop an annual procurement plan for the procurement of standard wholesale products, such as energy, capacity, and ancillary services at lowest total cost to consumers over time, considering the benefits of price stability
 - b. Develop a long-term renewable resources procurement plan for the procurement of renewable energy credits and the implementation of the Adjustable Block Program, the Illinois Solar for All Program, the Large Customer Self-Direct Program, and the Equity Accountability System.
 - c. Develop a zero-emission standard procurement plan for the procurement of zero emission credits from zero emission (nuclear) generating facilities and a carbon mitigation credit procurement plan for the procurement of carbon mitigation credits from carbon-free (nuclear) generating facilities.
- 2. Conduct competitive procurement processes and implement programs to procure the sources identified in the plans
 - a. Ensure appropriate price benchmarks are established.
 - b. Secure qualified procurement administrators.
 - c. Assess compliance with plans and provide expert advice to the Illinois CommerceCommission and the Agency's procurement administrators.
- 3. Document Agency procedures, policies and create fiscal management tools
 - a. Memorialize all reporting requirements as required by law.
 - b. Create a process to ensure Agency fees are sufficient to recover costs.
 - c. Develop an Agency financial accounting system.
- 4. Successfully execute all other responsibilities identified in the Illinois Power Agency Act(20 ILCS 3855).

IPA-SPECIFIC EEO/AA PROBLEMS AND NEEDS

One challenge faced by the Agency in achieving equal opportunity and affirmative action targets is that the Agency primarily consists of technical and professional employees, some of whom are in a highly specialized area (specifically, those dealing with energy and renewable energy credit procurement, and supporting policy and legal work). Although the Agency has not comprehensively studied the availability of potential employees from underrepresented groups in the energy procurement area, anecdotal evidence suggests that there are qualified candidates, but perhaps represented at a rate lower than other professions. Thus, the Agency will continue to be conscious and vigilant with outreach to qualified candidates from underrepresented groups in order to maintaindiversity at a high level within the Agency.

A second challenge exists in the Agency's size. With one Director (appointed by the Executive Ethics Commission and confirmed by the Senate) and 22 full-time employees (hired at the discretion of the Director) at the conclusion of FY22, a change in one Agency position can significantly impact the diversity percentage levels of the Agency's entire full-time workforce. Minor employee turnover can create large shifts in Agency totals that may not fully reflect the diligence of the Agency's EEO/AA commitments.

A third challenge exists in the Agency's stability. Since FY14, the Agency has only seen turnover at five positions (Office Administrator, Chief Financial Officer, Deputy Legal Counsel, Planning and Procurement Bureau Chief, and Senior Project Manager). While the Agency has added positions, because the Agency's existing staff generally performs at a high level and appears to be satisfied in their positions, opportunities for increased diversity in Agency employment have been limited at times by a lack of turnover.

That said, in FY22 that Agency added eleven staff which included three Black Females (DEI Manager, IT Manager, and Office Administrator/Business Analyst), one Hispanic Female (Program Associate), and five White Females (Two Program Associates, Associate Legal Counsel, Consumer Protection Counsel, and Fellow)

The Agency is generally proud of its success to date in meeting EEO/AA goals; of the twenty-two full-time employees (inclusive of the Director) to work for the IPA during FY 2022, six were classified as minorities while one was classified as disabled, and the Agency now features 70/30 female/male gender balance.

Workforce Analysis

As of the end of FY22, the Illinois Power Agency had one Director and twenty-two other full-time employees—primarily professionals, but also including other categories. While staffing now exceeding ten employees, the Agency conducted an availability analysis for FY22. The Agency reaffirms its commitment to diversity in the workplace, and notes that it will continue to reflect equitable minority and female representation in Agency staff.

As presented in the summary analysis below, the Agency made eleven new hires in FY22 Results of analysis reflect the Agency has reached Parity. The Agency's minority employee population reflects that employee availability and utilization are equal, for the Region 1, under the Federal Human Rights Act.

In addition to the summary analysis below, the Agency also notes that in FY22, it will likely be required to further expand to help meet additional statutory responsibilities resultant from Public Act 102-0662. The Agency is proud of its diverse workforce and will approach recruiting and hiring for those positions with this same commitment to diversity and inclusion in the workplace.

Equal Employment Opportunity Complaint Investigation Procedure

A. Policy

The Illinois Power Agency affirms its commitment to a policy of equal employment opportunity through the implementation of EEO complaint investigation procedures to promote the internal resolution of employee complaints of alleged discrimination. It is the conviction of the agency that the establishment of this EEO complaint investigation policy, and corresponding procedures, shall provide an internal avenue of redress to informally resolve complaints of alleged discrimination, reducing the backlog, delay, and expense of a prolonged formal investigation.

To that end, the EEO/AA Officer shall advise and support management in the investigation of complaints, documentation of facts, the presentation of findings, and recommendations to resolve the dispute. In the event of a conflict of interest, the EEO/AA officer shall seek a suitable replacement within the Agency.

The use of these internal EEO complaint investigation procedures does not preclude the rights of an employee to file a charge directly with the state (DHR) or the federal government (EEOC) or any other appropriate government agency. The filing of any complaint of alleged discrimination may not be used as a basis for future retaliation adversely affecting the rights of any employee.

B. Procedures

The discrimination complaint form (attached) shall be used to clearly record the date, nature, and other pertinent information of the complaint of alleged discrimination submitted to the EEO/AA Officer for investigation.

1. Scope and Timeliness

Unless of a continuing nature, all complaints must be received by the EEO/AA Officer in writing, within 30 days, consistent with agency practice. The scope of the investigation shall be restricted to the specific allegations cited in the charge.

2. Intake-Screening

Immediately upon receipt of the discrimination complaint form, the EEO/AA Officer shall review the form to determine the initial timeliness, validity and thoroughness of the information submitted in the complaint.

The EEO/AA Officer shall inform the employee in writing of the acceptance of the complaint for investigation within 10 days after the complaint is received by the EEO/AA Officer consistent with agency practice. The complainant shall be promptly notified if further information or documentation is required to support the charge.

3. Investigation

Within 20 days after the complaint is received by the EEO/AA Officer consistent with the agency practice, the EEO/AA Officer shall initiate a thorough investigation of the allegation(s) of discrimination cited in the complaint. In order to document the merits of the charge, the investigation shall entail the verification of information with the immediate supervisors, staff and witnesses to the alleged discriminatory employment practice. The investigation shall be concluded within 30 days after acceptance of the complaint.

4. Withdrawal of the Complaint

The complaint, or any part of the allegation, may be withdrawn during the investigation upon a written request for withdrawal by the complainant.

5. Settlement During Investigation

If a settlement is reached an agreement shall be obtained in writing with the approval of management before the complaint shall be considered closed.

6. Dismissal of the Complaint

After an analysis of the complaint, if there is a lack of substantial evidence to indicate that discrimination has occurred, the complainant shall be notified of the findings in writing and informed of the right to appeal within 5 days after the investigation concludes.

7. Investigation Findings

At the conclusion of the investigation, if substantial evidence that discrimination may have occurred, the EEO/AA Officer shall submit a written notice to the Agency's Director with the findings and recommendations to resolve the complaint. Within 20 days after the Agency's Director receives the findings, a conciliation meeting shall be initiated and the EEO/AA Officer shall participate to seek an equitable resolution of the complaint.

C. Conciliation Efforts

The EEO/AA Officer shall conduct and coordinate conciliation efforts by conferring with the parties in an attempt to secure a settlement. A conciliation conference may be convened, which all parties may attend in person or by representative, to propose, discuss, and agree to a resolution of the complaint.

If the complaint cannot be satisfactorily resolved at this level within a **reasonable amount of time not less** than five business days after the conciliation conference, the EEO/AA Officer shall document the efforts made to resolve the complaint and shall provide a written explanation of the reasons why the complaint was not able to be resolved.

The findings, conciliation efforts, and proposed settlement shall be forwarded to the CEO for the final review, approval or other determination. The CEO shall make known to the EEO/AA Officer

the official position of the agency within 15 days of receipt of the EEO/AA Officer's written report.

The employee has the right to file with the Illinois Department of Human Rights (IDHR) or with the U.S. Equal Employment Opportunity Commission (EEOC) or any other appropriate government agency. The EEO Officer shall represent the agency in responding to any charges.

Accommodation Request Procedures for Employees

The following procedures should be followed in processing reasonable accommodation requests from employees. Theagency EEO/AA Officer and/or the ADA Coordinator can provide guidance on the accommodation process.

- 1. The employee shall submit a completed reasonable accommodation request form to his or her immediate supervisor and give a copy of the form to the agency EEO/AA Officer and/or the ADA Coordinator. The employee should retain acopy of this information in his or her files.
- 2. Once received, the supervisor shall review the request form for completeness and, in consultation with the EEO/AA Officer and/or ADA Coordinator, determine whether medical documentation is needed to either establish the presence of a disability or determine an appropriate accommodation. If documentation is needed, the agency should narrowly tailor its request to the issues of whether the employee has a disability under the law and how he or she can be accommodated. The employee should be asked to complete a medical release form (also narrowly tailored), if the agency has additional questions upon review of the medical documentation. When necessary, the employee should be asked to provide documentation to address these issues.
- 3. Upon receipt of necessary documentation, the supervisor shall make a recommendation, in writing, to the Division Manager within five (5) working days.
- 4. The Division manager shall review the supervisor's recommendation and make a recommendation to the Reasonable Accommodation Committee (RAC) within five (5) working days of receipt of the supervisor's recommendation. The Division Manager shall forward his/her recommendation along with the original reasonable accommodation request form and all documentation to the agency's EEO/AA Officer and/or the ADA Coordinator.
- 5. The EEO/AA Officer and/or the ADA Coordinator shall convene a meeting of the Reasonable Accommodation Committee within ten (10) working days of receipt of the Division Manager's recommendation. The RAC shall review the accommodation request. Once the Committee's review is complete, the Committee's recommendation shall be submitted to the Director within five (5) working days of the Committee's review for the Director's approval or denial.
- 6. The Director shall review the RAC's recommendation and shall render a decision of denial or approval within five (5) working days of receipt from the RAC.
- 7. Provided that appropriate documentation has been submitted, the EEO/AA Officer and/or the ADA Coordinator shall inform the employee in writing of the agency's decision to grant or deny the request within thirty (30) working days of receipt of the completed request form and any necessary medical documentation. A copy of the response will also besent to the supervisor.
- 8. If the Director approves the accommodation request, the agency shall take appropriate action to comply with the accommodation request. Approved accommodation requests shall be implemented as soon as possible. Please notethat the agency may offer alternative suggestions providing an equally effective accommodation to remove the workplace barrier in guestion.
- 9. Reconsideration: If an employee wishes to ask the Director to reconsider a decision on a reasonable accommodation request, a written request shall be addressed to the Director within ten (10) working days of notification of the decision. The reconsideration request shall include the reasons that a reconsideration is being requested and, if appropriate, alternative suggestions for reasonable accommodation. After a complete review of the matter, a decision shall be made and the employee shall be notified. The Director's decision on this recommendation shall constitute the final internal action by the Department on the accommodation request.
- 10. An employee who has been denied accommodation has the right to file a complaint at the state level with the Illinois Department of Human Rights within 300 calendar days of the denial of the request. An employee may also have the right to file a complaint with the U. S. Equal Employment Opportunity Commission (EEOC) within 300 days or any other appropriate government agency pursuant to their time frame.
- 11. The EEO/AA Officer and/or the ADA Coordinator shall document any action taken on a reasonable accommodation request where indicated on the request form and shall retain completed accommodation request forms one year following final action in the matter.

Additional Procedures Regarding Persons with Disabilities

The Illinois Power Agency currently has a single office at 105 W. Madison St. in Chicago. To the knowledge of the Agency, the building is free of physical barriers to the extent required by law and/or is in the process of resolving any non-compliant physical barriers. The Agency further understands that building has building-wide procedures for evacuation of employees with disabilities.

To the extent that an employee becomes aware of any physical barriers, raises concerns regarding the evacuation plan, or has any questions regarding physical or procedural barriers, the employee may contact the EEO/AA Officer, who also serves as the ADA Coordinator.

With regard to hiring procedures for persons with disabilities, the Agency shall:

- 1. Review, on an ongoing basis, employment criteria and job descriptions to assure they have no adverse impact on disabled persons;
- 2. Not make inquiries regarding an applicant's disability during the interview process;
- 3. Not require or request a pre-employment medical examinations before an offer of employment and further not require or request a pre-employment medical examinations after an offer of employment, unless the post-offer and pre-employment examinations are job related and required of all applicants for that position.

At this time, no employee has requested assistance with physical barriers or evacuation. However, the Agency is committed to addressing all such requests made going forward. The Agency will monitor results of disability survey reports and will use the survey report results to ensure employee evacuation needs are met.

Additionally, at this time, the Agency does not have a testing requirement for employment. However, if testing is required in the future, the Agency will create a reasonable accommodations policy.

In addition to the procedures listed above, Agency staff are currently working remotely with only certain staff going to the office on an intermittent basis. Remote work provides additional accommodations to persons with disabilities.

Required Summary of Non-Discrimination Laws

CIVIL RIGHTS ACT OF 1964, as amended

<u>Title VI</u> prohibits discrimination on grounds of race, color, or national origin in federally assisted programs.

<u>Title VII</u> prohibits discrimination on the grounds of race, color, religion, sex or national origin by employers or unions with 15 or more employees. The designation employer includes the government of the United States, corporations wholly owned by the United States, and state or political subdivisions thereof.

EQUAL EMPLOYMENT OPPORTUNITY ACT OF 1972

This is an amendment to the Civil Rights Act of 1964, which adds sex and religion to the Title VII portion and extends Equal Employment Opportunity (EEO) to state, local and municipal organizations, all employment agencies (private and public) and to labor organizations. This Act empowers EEOC to bring civil action against any organization, which is alleged to be practicing discrimination. The Act also gives the right to an individual to take a complaint directly to a court of law.

PREGNANCY DISCRIMINATION ACT

This law amended Title VII to make it illegal to discriminate against a woman because of pregnancy, childbirth, or a medical condition related to pregnancy or childbirth. The law also makes it illegal to retaliate against a person because the person complained about discrimination, filed a charge of discrimination, or participated in an employment discrimination investigation or lawsuit.

CIVIL RIGHTS ACT OF 1991

The Civil Rights Act of 1991 expands the protections afforded individuals under the Civil Rights Act of 1964. It provides for damages for intentional discrimination and unlawful harassment in the workplace and codifies the concepts of "business necessity" and "job related" as enunciated in various Supreme Court decisions. Additionally, it confirms statutory authority and provides guidelines for disparate impact suits under Title VII of the Civil Rights Act of 1964 and in response to recent Supreme Court decisions, expands the scope of relevant civil rights statutes.

AGE DISCRIMINATION IN EMPLOYMENT ACT OF 1967

This Act prohibits arbitrary discrimination against persons 40 years of age or older.

REHABILITATION ACT OF 1973

This Act sets the standards for promoting, expanding, and assisting in employment opportunities for the handicapped in all programs or activities receiving Federal financial assistance. Sections 503 and 504 provide for the prohibition of discrimination against qualified handicapped individuals. The Office of Federal Contract Compliance Programs (OFCCP), U. S. Department of Labor, enforces section 503. Section 504 is enforced by the agency providing the federal funds in question.

EOUAL PAY ACT OF 1963

This Act provides that an employer may not discriminate on the basis of sex by paying employees different wages for doing equal work on jobs requiring equal skill, effort, and responsibility, and which are performed under similar working conditions in the same establishment. The U. S. Equal Employment Opportunity Commission (EEOC) enforces this Act.

AMERICANS WITH DISABILITIES ACT OF 1990, AS AMENDED BY THE AMERICANS WITH DISABILITIES AMENDENTS ACT OF 2008

Congress enacted the Americans with Disabilities Act of 1990 ("the ADA") to eliminate discrimination against individuals with disabilities in the areas of employment, public accommodations, education, transportation, communication, recreation, institutionalization, health services, voting, and access to public service. Title I of the ADA prohibits discrimination in employment against individuals with disabilities and establishes the standards governing an employer's affirmative duty to accommodate an individual with a disability. Title II of the ADA prohibits discrimination against individuals with disabilities by state and local governments. The ADA Amendments Act of 2008 broadens the coverage of "disability" and thereby brings more individuals under the

protection of the law. EEOC issued regulations under this Act.

FAMILY MEDICAL LEAVE ACT of 1993

This act requires employers to provide up to 12 weeks of unpaid job-protected leave to "eligible" employees for certain family and medical reasons. Employees are eligible if they have worked for a covered employer for at least one year, and for 1,250 hours during the year preceding the start of the leave, and be employed at a worksite where the employer employs at least 50 employees within a 75-mile radius. The U. S. Department of Labor's Wage and Hour Division is authorized to investigate and resolve complaints of violations.

Unpaid leave must be granted for any of the following reasons:

- To care for the employee's child after birth, or placement for adoption or foster care;
- To care for the employee's spouse, son or daughter, or parent, who has a serious healthcondition; or
- For a serious health condition that makes the employee unable to perform the employee's job.

Section 585(a) of the National Defense Authorization Act (NDAA) amended the FMLA to provide eligible employees working for covered employers two important leave rights related to military service:

- Qualifying Reason for Leave. Eligible employees are entitled to up to 12 weeks of leave because of "any qualifying exigency" arising out of the fact that the spouse, son, daughter, or parent of the employee is on active duty, or has been notified of an impending call to active duty status, in support of a contingency operation.
- Leave Entitlement. An eligible employee who is the spouse, son, daughter, parent, or next of kin of a covered service member who is recovering from a serious illness or injury sustained in the line of duty on active duty is entitled to up to 26 weeks of leave in a single 12-month period to care for the service member. This military caregiver leave is available during "a single 12-month period" during which an eligible employee is entitled to a combined total of 26 weeks of all types of FMLA leave.

UNIFORMED SERVICES EMPLOYMENT AND REEMPLOYMENT RIGHTS ACT (USERRA)

USERRA protects the job rights of individuals who voluntarily or involuntarily leave employment positions to undertake military service. USERRA also prohibits employers from discriminating against past and present members of the uniformed services, and applicants to the uniformed services. The U. S. Department of Labor, Veterans Employment and Training Service (VETS) is authorized to investigate and resolve complaints of USERRA violations.

GENETIC INFORMATION NONDISCRIMINATION ACT OF 2008

This law makes it illegal to discriminate against employees or applicants because of genetic information. Genetic information includes information about an individual's genetic tests and the genetic tests of an individual's family members, as well as information about any disease, disorder or condition of an individual's family members (i.e. an individual's family medical history). The law also makes it illegal to retaliate against a person because the person complained about discrimination, filed a charge of discrimination, or participated in an employment discrimination investigation or lawsuit.
