

Stakeholder Feedback Waiver for Minimum Equity Standard

The Illinois Power Agency seeks public comment on the waiver for Minimum Equity Standard requirements for entities that have received a REC contract award under the Adjustable Block/Illinois Shines Program or through the IPA's utility-scale REC procurements for a given Program/delivery year.

Following the review and consideration of public comments on the waiver, the Agency intends to finalize the waiver and process for the 2023-2024 Program year/Delivery year beginning June 1, 2023.

The request for feedback can be found here: [MES Waiver Request and Scoring](#)

Comments on the proposal are due on **February 22, 2023** and should be submitted to IPA.solar@illinois.gov with the subject line "[Responding Entity Name] – Stakeholder Feedback on MES Waiver."

More information on the waiver for Minimum Equity Standard requirements can be found in Section 10.1.3.1 of the Agency's [Long-Term Renewable Resources Procurement Plan](#).
