## **ICC Public Notice of Winning Bidders and Average Prices Illinois Power Agency 2009 Procurement for the Ameren Illinois Utilities May 18, 2009, Renewable Energy Credits RFP Procurement**

On May 18, 2009, Levitan & Associates, Inc. (“LAI”), the Procurement Administrator retained by the Illinois Power Agency (“IPA”) for the 2009 procurements for Central Illinois Light Company (AmerenCILCO), Central Illinois Public Service Company (AmerenCIPS), and Illinois Power Company (AmerenIP) (collectively, the “Ameren Illinois Utilities”), received bids for the Ameren Illinois Utilities’ Renewable Energy Credits (“RECs”) RFP Procurement pursuant to the IPA’s Procurement Plan approved by the Illinois Commerce Commission (“Commission”) in Docket No. 08-0519. On May 20, 2009, the Commission voted to approve the bids recommended for approval by the Procurement Administrator. Section 16-111.5(h) of the Public Utilities Act provides that “[t]he names of the successful bidders and the load weighted average of the winning bid prices for each contract type and for each contract term shall be made available to the public at the time of Commission approval of a procurement event.” 220 ILCS 5/16-111.5(h). In Docket No. 08-0519 the Commission also determined that the number of megawatts awarded for each contract type and for each contract term will be publicly disclosed after a Commission vote accepting a procurement administrator recommendation to accept certain bids, provided there are at least three winning bidders in the entire procurement event.
