Illinois Power Agency Rescheduling Workshops in Observance of Juneteenth

The Illinois Power Agency is rescheduling its first Long-Term Renewable Resources Procurement Plan Update workshop, previously scheduled for Friday, June 18th, in observance of the Juneteenth federal holiday. This workshop will now be held on Friday, June 25.

The second and third Long-Term Renewable Resources Procurement Plan Update workshops previously scheduled for June 24 and 25 will also be rescheduled, with those new dates and times to be announced at a later date. We will keep you updated.
