## Illinois Power Agency Releases 2022 Long-Term Renewable Resources Procurement Plan for Public Review and Comment

January 13, 2022

The Illinois Power Agency (“IPA” or “Agency”) has released the **draft 2022 Long-Term Renewable Resources Procurement Plan** (“2022 Long-Term Plan” or “Plan”) for public review and comment.

The draft 2022 Long-Term Plan is published in accordance with Section 1-75(c)(1)(A) of the IPA Act (20 ILCS 3855), which requires the Agency to develop and publish the draft Plan within 120 days of the effective date of Public Act 102-0662 (by January 13, 2022). The draft 2022 Long-Term Plan reflects changes to the Renewable Portfolio Standard (“RPS”) and new statutory requirements stemming from the P.A. 102-0662, which took effect on September 15, 2021.
